Burnside Clothing has roots dating back over twenty years to when action sports were on the rise. We saw more than a style emerging - we saw a lifestyle. Inspired by this lifestyle of freedom, passion, and adventure, we designed each piece to be put to use. So, go swim! go climb! go surf! Whatever your thrill, Burnside has your back.

Sierra Pacific Apparel was created to meet the corporate & uniform needs of businesses and individuals who require sleek, streamlined, business-appropriate garments without sacrificing quality or style. Using high quality materials and cutting-edge textile technology, we create uniforms that work.

Hilton Bowling and Hilton Outdoor fulfill a special niche with traditional styles combined with the comfort and details you would expect from a modern garment.

## A NEW WAY TO BURN

We've made a name for ourselves by producing high-performing activewear. Now we introduce the next step in our activewear evolution - Burn by Burnside! These select styles were produced with performance in mind.

With our latest development, Burn by Burnside®, we have worked to create a collection that fits a high-performance lifestyle. The burn collection stretch technology and performance fabric makes you unstoppable.

This gear is engineered for workout, play, and everything in between. We don't take the challenge lightly. With absolutely no sacrifice in comfort, we've added technical aspects such as moisture wicking fabric, slim fits, and an attention to detail that ensures your adventure isn't weighed down by your gear.
